

PARKING

Parking is a problem in all communities with 'hot spots' at key times of the day, such as school pick up and drop off.

Do you have particular issues we should know about?

Do you think we need more parking? If so, where would you put it?

ROADS

The roads in the Parish are generally narrow and winding.

Do you think there are places that would benefit from reductions in the speed limits?

What are your views on traffic calming measures such as chicanes or coloured/textured road surface?

FOOTPATH/CYCLE/ BRIDLE WAYS

The Parish has a number of public footpaths and bridle ways but limited cycle routes.

Where would you like to see improved access on foot, bike or horse?
