Dear Barbara,

### **Re: West Chiltington Neighbourhood Plan**

The West Chiltington Neighbourhood Plan is nearing completion and it is the intention of the Parish Council to submit the Plan at Reg15 on the 19th November following ratification by the Full Council.

The Parish Council is of course aware that a housing allocation may be forthcoming when HDC has completed its latest housing numbers review. Discussions have taken place at the Parish Council and it is felt that having worked on the Plan for over five years, it is important to see it through to Examination and then review it in light of any new information.

We trust that this approach meets with your approval?

It is our intention to publicise the Plan and all the supporting documents on our web sites. Can you please confirm how many, if any, paper copies you would require so that we can ensure these are available to you.

We look forward to receiving your reply

Yours sincerely

Marshall Monks

Chairman of Parish Council
